ORDER AMENDING CLASS CERTIFICATION

Upon notification from the parties that they are proceeding to settle the matter based on anticipated amendment of the class certification by the Court, this Court certifies the amended class in this case. The class continues to be defined as:

All participants and/or beneficiaries of the Retirement Income Plan for Pilots of U.S. Air Inc., who, from February 28, 1997, to March 31, 2003, elected to receive a lump sum payment as a full or partial distribution of their retirement benefits, but who did not receive their lump sum payment on the first day of the month coinciding with or following their Normal Retirement Date (or alternatively, for early retirees, the date on which they elected to begin receiving their retirement income).

See Dkt. No. 83 at 1. John Davis is hereby substituted as the class representative. This Court finds that the class meets the requirements of Federal Rule of Civil Procedure 23(a). Fed. R. Civ. P. 23(a).

SO ORDERED.
