Welcome to www.pbgc.gov

Since your plan was recently taken over (“trusteed”) by the Pension Benefit Guaranty Corporation, you probably have many questions about your pension. At this early stage, however, PBGC has only begun to gather and process information about you and your plan. (We generally do not have detailed information on a plan and its participants until at least several months after we have taken over the plan.) In the coming months, we will be able to tell you more as we process your plan.

For now, we can give you general information on our Web site about how PBGC operates, what the legal guarantee limits are for a plan, and how to get started with our online participants’ service, **MyPBA**. In **MyPBA** you can perform a number of tasks from the convenience of your home at any time of day, any day of the year.

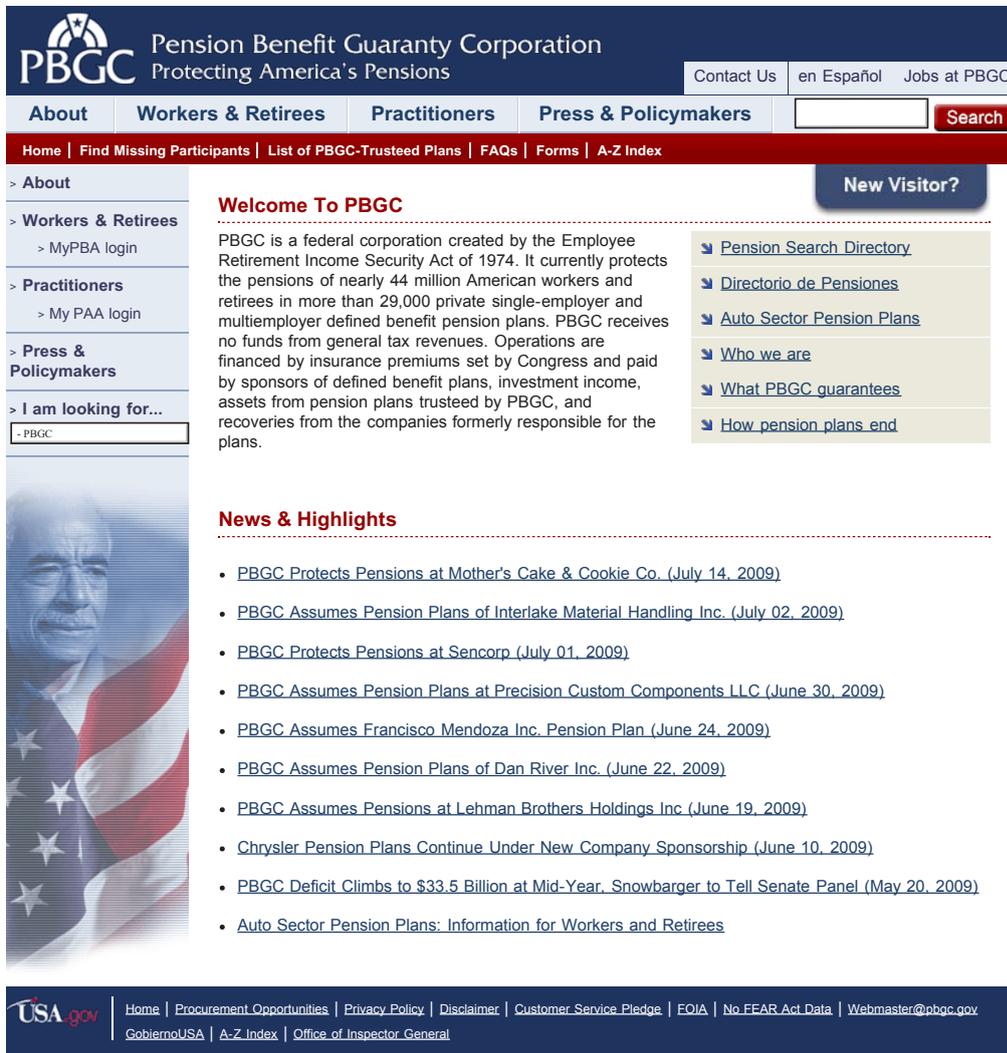

Getting familiar with www.pbgc.gov and **MyPBA** is a great way to make sure you get the most from PBGC’s Web site. (We also have a “New Visitor?” page on our Web site to assist you.)

So let’s get started with www.pbgc.gov!

Our Home Page

Our Home Page features a number of ways to get around our Web site's four main pages: "About," "Workers & Retirees," "Practitioners," and "Press & Policymakers."

Click on  at the top right corner of our Home Page for additional information about our Web site.

The screenshot shows the PBGC Home Page. At the top, the PBGC logo is on the left, and the text "Pension Benefit Guaranty Corporation Protecting America's Pensions" is on the right. To the right of the logo are links for "Contact Us", "en Español", and "Jobs at PBGC". Below this is a navigation bar with tabs for "About", "Workers & Retirees", "Practitioners", and "Press & Policymakers". A search box and a "Search" button are on the right. A red banner below the navigation bar contains links: "Home", "Find Missing Participants", "List of PBGC-Trusteed Plans", "FAQs", "Forms", and "A-Z Index". On the left side, there is a vertical menu with "About", "Workers & Retirees" (with "MyPBA login"), "Practitioners" (with "My PAA login"), "Press & Policymakers", and "I am looking for..." (with a search box containing "- PBGC"). On the right side, there is a "New Visitor?" button and a list of links: "Pension Search Directory", "Directorio de Pensiones", "Auto Sector Pension Plans", "Who we are", "What PBGC guarantees", and "How pension plans end". Below this is a "News & Highlights" section with a list of news items, each with a date in parentheses. At the bottom, there is a footer with the USA.gov logo and a list of links: "Home", "Procurement Opportunities", "Privacy Policy", "Disclaimer", "Customer Service Pledge", "FOIA", "No FEAR Act Data", "Webmaster@pbgc.gov", "GobiernoUSA", "A-Z Index", and "Office of Inspector General".

Welcome To PBGC

PBGC is a federal corporation created by the Employee Retirement Income Security Act of 1974. It currently protects the pensions of nearly 44 million American workers and retirees in more than 29,000 private single-employer and multiemployer defined benefit pension plans. PBGC receives no funds from general tax revenues. Operations are financed by insurance premiums set by Congress and paid by sponsors of defined benefit plans, investment income, assets from pension plans trusted by PBGC, and recoveries from the companies formerly responsible for the plans.
