LOCK-IN APPLICATION

Part II. Eligibility

The plan is eligible* for SFA because it meets the criteria for eligibility under (check all that apply):

	§ 4262.3(a)(1) of PBGC's SFA regulation
	§ 4262.3(a)(2) of PBGC's SFA regulation
X	§ 4262.3(a)(3) of PBGC's SFA regulation**
	§ 4262.3(a)(4) of PBGC's SFA regulation

* PBGC will not verify a plan's assessment of its eligibility for SFA until it receives the plan's revised application. If PBGC determines that the plan was not eligible on the date when the lock-in application was filed, then the lock-in application will not establish the plan's base data.

**For information on how to determine eligibility under this provision, see Section D, Item (3)c of the general instructions.

Part III. Priority Group

This section is required only for a lock-in application filed on or before March 11, 2023. If filing after that date, then leave this section blank and skip to Part IV.

Priority Group 5. Is the plan projected to become insolvent before March 11, 2026?

Yes No

If yes, then, except as provided below, the filer must provide a certification from the plan's enrolled actuary that the plan is eligible for Priority Group 5. This certification should specifically identify Priority Group 5 and contain sufficient information to demonstrate that the plan is eligible for Priority Group 5, including details of relevant plan projections and clear documentation of all assumptions, methods, and census data used in such projections.

Priority Group 6. Is the plan listed on www.pbgc.gov/arp-sfa as having a present value of financial assistance in excess of \$1 billion?

Yes No

If yes, skip to Part IV. Also, if yes and the plan is also in Priority Group 5, then the filer does not need to provide the supporting documentation described above.

If applicable, PBGC will post additional priority groups eligible to submit lock-in applications, the date PBGC will begin accepting applications for plans in additional priority groups, and any required information for a plan to demonstrate its priority group status on PBGC's website at www.pbgc.gov. Also, PBGC may require a plan sponsor to file additional information, including information to clarify or verify the plan's priority group status.

Part IV. Certification

This part must be signed and dated by an authorized trustee who is a current member of the board of trustees.
