PAPERWORK REDUCTION ACT NOTICE

This section provides information on the time and cost estimates for preparing and filing the lock-in application. If you have any comments concerning the accuracy of these estimates or suggestions for making it simpler to submit the information, please send your comments to the Pension Benefit Guaranty Corporation, Office of the General Counsel, 445 12th Street, SW, Washington, DC 20024-2101.

Information filed with PBGC in an application for special financial assistance (SFA) is confidential only to the extent provided under the Privacy Act. PBGC may, in its sole discretion, post an application for SFA and any documents and information filed for the application on its website at www.pbgc.gov, or otherwise publicly disclose the application, documents, and information, except information that is confidential under the Privacy Act.

PBGC will share with the U.S. Department of Labor and the Treasury Department (collectively, the Agencies) a plan's application, including any documents and information filed with PBGC, to enable the Agencies to fulfill their responsibilities under section 4262 of ERISA.

This information collection is necessary for PBGC to properly administer the SFA program. PBGC uses the information it receives in a plan's lock-in application to record the filing date for the plan's initial application for SFA.

PBGC estimates an average per plan hour burden of 1 hour of fund office time and an average cost burden of \$800 in contractor costs. These are estimates and the actual time and cost per plan will vary depending on the circumstances of a given filing and the size of the plan.

This collection of information has been approved by the Office of Management and Budget (OMB) under control number 1212-0074 (expires 05/31/2027). Under the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
