

## **PAPERWORK REDUCTION ACT NOTICE**

The Paperwork Reduction Act of 1995, 44 U.S.C. § 3501, et seq., requires PBGC to give you this notice when collecting information from you. PBGC uses the information we collect, including name, Social Security Number, date of birth, and/or other specific personally identifiable information (PII) necessary, to determine whether you are entitled to a benefit payment from a retirement plan that has terminated, and if so, to calculate the amount due to you, and to make appropriate benefit payments. Your response is voluntary. However, failure to provide information to PBGC, including your name, Social Security Number, date of birth, and/or other necessary PII, may delay or prevent PBGC from determining if you are entitled to a benefit payment, calculating the amount due, and paying the benefit due to you, if so entitled. Certain information provided to PBGC may be disclosable under the Freedom of Information Act, as amended, 5 U.S.C. § 552, and the Privacy Act of 1974, as amended, 5 U.S.C. § 552a.

PBGC estimates that the average burden of complying with the information collection request is about 30 minutes to one hour and an average of \$3.50 where notary services are required to complete a form or application. These are estimates; the actual time and cost will vary depending on the circumstances and type of form or application being made. If you have any comments concerning the accuracy of this estimate or suggestions for improving this information collection, please send your comments to Pension Benefit Guaranty Corporation, Office of the General Counsel, Regulatory Affairs Division, 1200 K Street, NW, Washington, DC 20005-4026. This collection of information has been approved by the Office of Management and Budget (OMB) under control number 1212-0055 (expires 10/31/2021). Under the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
