

How to Log in to My PAA using Login.gov

(Existing My PAA and Login.gov Accounts – Same Email Address)

Last Updated: November 21st, 2022

How to Log in to My PAA using Login.gov

- This step-by-step guide will provide you the necessary steps to access your existing My PAA account using Login.gov.
- This specific scenario is for users that have an existing My PAA account, as well as an existing Login.gov account, and the email address associated with both accounts are the same.
- If you need step by step guidance for logging in to your My PAA account using an existing Login.gov account, but the email address associated with both accounts differ, please view the “[How to Link a My PAA Account to a Login.gov Account \(Different Email Addresses\)](#)” demo for more assistance.

How to Log in to My PAA using Login.gov

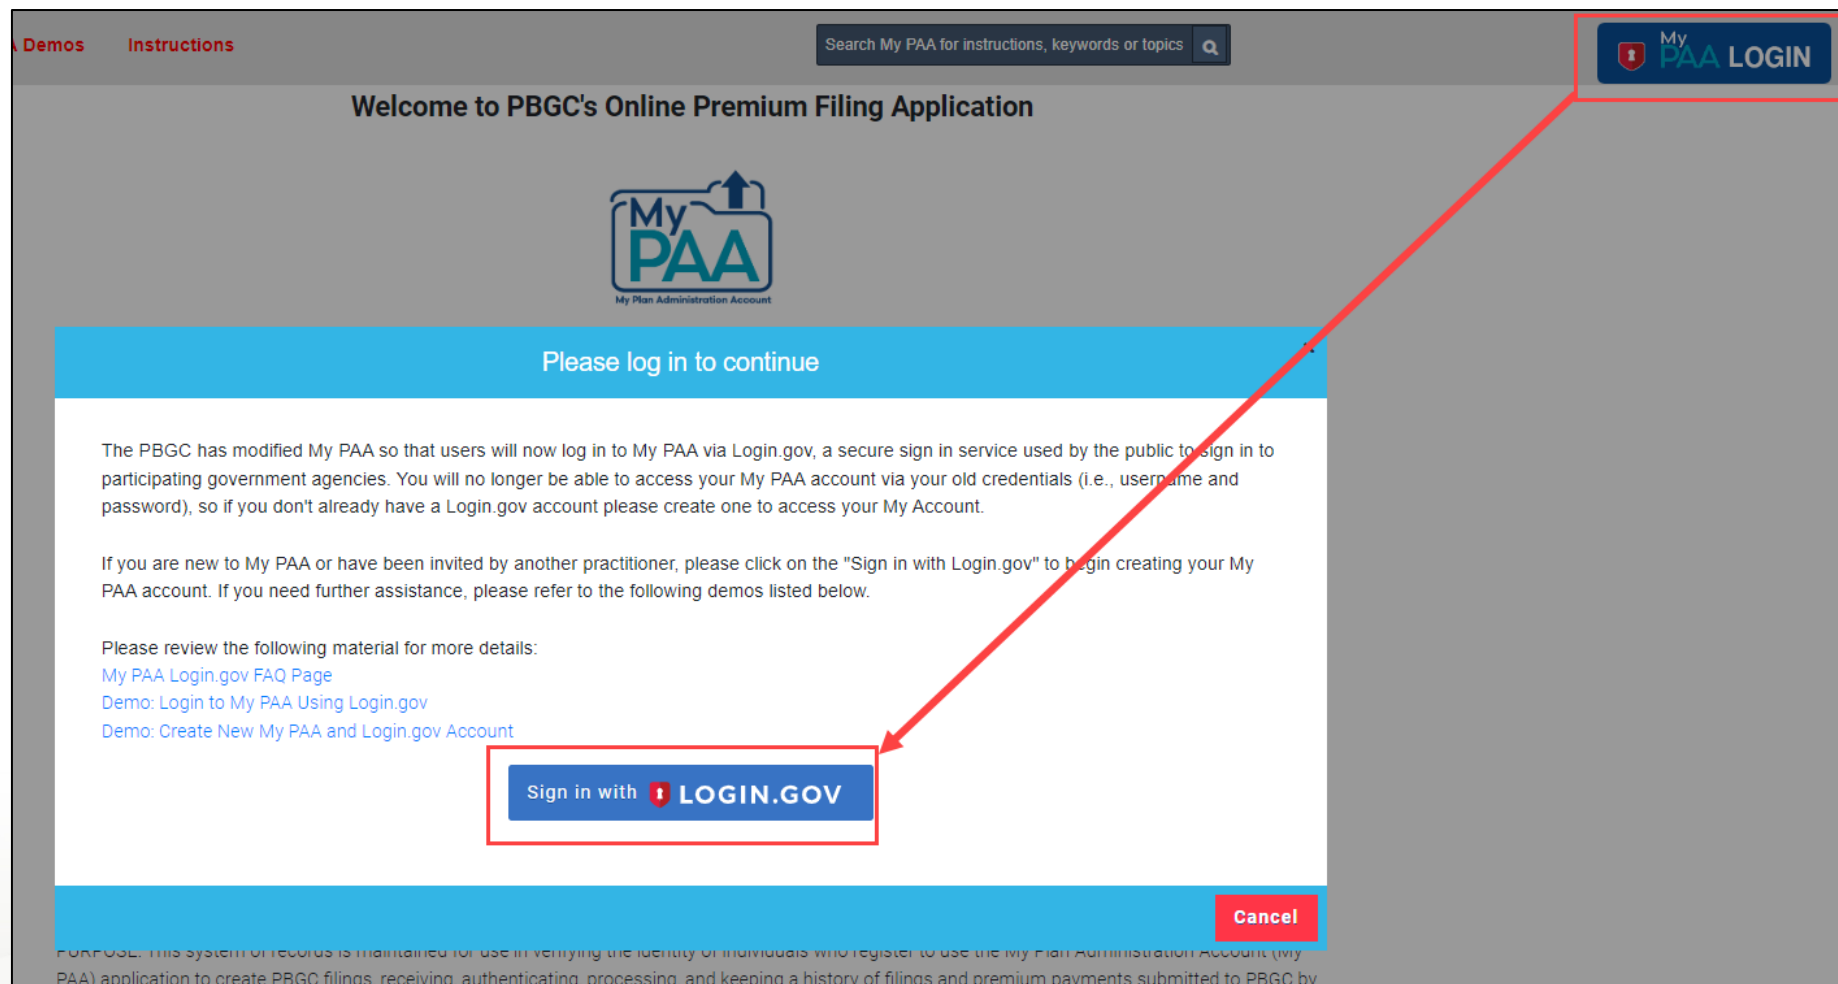

- Log in to My PAA Using Login.gov
 - To begin logging in to your My PAA account via Login.gov, click on the “My PAA Login” button in the top right corner of the My PAA Home Page.

The screenshot shows the PBGC My PAA Home Page. At the top left is the PBGC logo. The navigation menu includes "Home Page", "Contact PBGC", "My PAA Demos", and "Instructions". A search bar is located on the right side of the header. In the top right corner, a red box highlights the "My PAA LOGIN" button, with a red arrow pointing to it from below. The main content area features the "My PAA My Plan Administration Account" logo, an outage notice for August 19th and 21st, supported browser information (Google Chrome 97.0+, Microsoft Edge 97.0+, and Firefox 95.0+), and a warning section with a "WARNING!!! WARNING!!! WARNING!!!" header. The warning text states that the system is for authorized use only and that users consent to auditing and monitoring.

Link My PAA Account to Login.gov Account

- Sign in with Login.gov
 - The “Please log in to continue” popup will appear.
 - Click on the “Sign in with Login.gov” button to begin linking your accounts.
 - You will be automatically redirected to Login.gov’s login page.

The screenshot displays the 'My PAA LOGIN' interface. At the top right, there is a search bar and a 'My PAA LOGIN' button. The main heading reads 'Welcome to PBGC's Online Premium Filing Application'. Below this is the 'My PAA' logo. A blue banner states 'Please log in to continue'. The main content area contains the following text:

The PBGC has modified My PAA so that users will now log in to My PAA via Login.gov, a secure sign in service used by the public to sign in to participating government agencies. You will no longer be able to access your My PAA account via your old credentials (i.e., username and password), so if you don't already have a Login.gov account please create one to access your My Account.

If you are new to My PAA or have been invited by another practitioner, please click on the "Sign in with Login.gov" to begin creating your My PAA account. If you need further assistance, please refer to the following demos listed below.

Please review the following material for more details:

A red box highlights the 'Sign in with LOGIN.GOV' button, and a red arrow points from the 'My PAA LOGIN' button at the top right to this button. A 'Cancel' button is located at the bottom right of the main content area.

FOR PURPOSE: This system or records is maintained for use in verifying the identity of individuals who register to use the My Plan Administration Account (My PAA) application to create PBGC filings, receiving, authenticating, processing, and keeping a history of filings and premium payments submitted to PBGC by

How to Log in to My PAA using Login.gov

- Login.gov

- You will be redirected to the Login Page of Login.gov.
- If you have an existing Login.gov account, simply enter the associated email address and password into the appropriate fields, then click the “Sign in” button.
- If you have not created a Login.gov account, click on the “Create an account” button below the “Sign in” button.
 - **PBGC recommends setting up a Login.gov account with the same email address associated with your My PAA account.** Doing so will provide the smoothest transition so that My PAA can link your accounts and you will still be able to access all plans and roles to which you are currently associated. If these email addresses differ, you can still follow the steps later in this demo to link your accounts.
 - If you need further guidance on setting up a Login.gov account, please view My PAA’s [How to Create a My PAA Account via Login.gov](#) Published Answer.

*It is important to note that if you have forgotten your Login.gov password or need any assistance with your Login.gov account please contact [Login.gov](#) **not** PBGC’s Premium Customer Service Department.

How to Log in to My PAA using Login.gov

- Authentication Method

- You will be asked to authenticate your Login.gov account using the method you selected when you first created your account. If you no longer have access to that authentication method you can click on the “Choose another authentication method” link, and it will allow you to choose an alternative method you set up when you created your Login.gov account.
 - This is why PBGC highly recommends selecting at least two authentication methods when you first create your Login.gov account; in case you don't have access to one of the methods.
- Once you have authenticated your Login.gov account, click on the “Submit” button to be redirected to your My PAA account.

How to Log in to My PAA using Login.gov

- Successful Login.gov Authentication
 - My PAA has the capability to automatically link your My PAA account to your Login.gov account if the email address associated to both accounts are the same.
 - Once your My PAA and Login.gov accounts have been successfully linked, you will automatically be logged in to your My PAA account. You will receive a congratulations pop-up informing you that going forward you must use the “Sign in with Login.gov” button to access your My PAA account.
 - You will continue to have access to all the same plans and roles your My PAA account is currently associated with. If you believe anything has changed or have any further questions or concerns, please contact [PBGC's Premium Customer Service Department](#).

Link My PAA Account to Login.gov Account

- Continue with any Premium-Related Action
 - Now that you have successfully logged in, you may continue to perform premium-related actions within the My PAA website. Please visit [My PAA's Training Material: Demos & Instructions](#) Published Answer for further step-by-step guidance on utilizing My PAA's features.

The screenshot displays the My PAA website interface. At the top, there is a navigation bar with the PBGC logo and links for Home Page, Contact PBGC, My PAA Demos, and Instructions. A search bar is located on the right side of the navigation bar. Below the navigation bar, there are five main action buttons: Create New Plan / Add Existing Plan, Plan List, In-Process, Upload Filings, and View Upload History. Below these buttons, there is a red notice about a system outage: "OUTAGE: My PAA will be unavailable from 8 PM EST Friday, August 19th to 5 PM EST August 21st". Below the outage notice, there is a notice about supported browsers: "*Supported Browsers: Google Chrome 97.0+, Microsoft Edge 97.0+, and Firefox 95.0+ (not Safari)". Below the browser notice, there is a recommendation to review published answers for a better user experience, with links for "How to Make A Payment?", "In-Process Icon / Filing Details / Select Payment Option", and "Automated Filing Status Transitions & Emails". Below the recommendation, there is a link for "What's New in My PAA & Upcoming Changes to the My PAA Login Process". Below the link, there is a warning: "WARNING!!! WARNING!!! WARNING!!!". Below the warning, there is a disclaimer: "You are accessing a computer system operated by the Pension Benefit Guaranty Corporation, a wholly owned corporation of the United States Government. It is for authorized use only, in compliance with the PBGC Policy on the Use of Information Technology Resources and federal statutes, and when use is authorized, such use may not exceed the scope of authorization." Below the disclaimer, there is a notice about system security: "Use of this system is subject to audit, and all files and transmissions on this system may be intercepted, monitored, recorded, copied, or inspected to ensure that use is authorized, for management of the system, to facilitate protection against unauthorized access, to verify security procedures, and for such other purposes as may be deemed necessary, consistent with federal law. Unauthorized or improper use of this system may result in administrative action, civil, and/or criminal penalties. Any information collected during an audit or monitoring may be used in administrative, civil, or criminal actions and may be disclosed to authorized officials of other agencies, both domestic and foreign. Examples of unauthorized or improper use include, but are not limited to: uploading or changing the information presented on this system with intent to damage this system; attempting to gain unauthorized access to data; attempting to redirect authorized users away from this system; or attempting to deny service to authorized users." Below the notice, there is a link for "By using this system, the user consents to the auditing, interception, monitoring, recording, copying, inspection, and disclosure as described above. Clicking".
