2. Is filed by a person other than an aggrieved person or an aggrieved person’s authorized representative;
3. Is untimely and presents no grounds for waiver or extension of the time limit for filing the appeal, or only grounds that are clearly without merit;
4. Preserves grounds that clearly warrant or clearly do not warrant the relief requested;
5. Preserves only factual issues that are not reasonably expected to affect other appeals (for example, the participant’s date of birth or date of hire); or
6. Preserves only issues that are controlled by settled principles of existing law, including Appeals Board precedent (for example, an issue of plan interpretation that has been resolved by the Appeals Board in a decision on an appeal by another participant in the same plan).
