General Routine Uses

PBGC is proposing to amend its Preatory Statement of General Routine Uses by establishing a new general routine use that will apply to all its systems of records. PBGC’s Preatory Statement of General Routine Uses was last published at 60 FR 57462, 57563–57564 (Nov. 15, 1995). Proposed routine use G9 will permit PBGC to respond effectively to a suspected or confirmed data breach by allowing for the disclosure of information to those individuals affected by the breach, as well as to others who are in a position to assist in PBGC’s response efforts, either by a role in preventing, minimizing or remediying harms from the breach. PBGC is proposing to establish the routine use to comply with the guidance issued by OMB in memorandum M–07–16, Safeguarding Against and Responding to the Breach of Personally Identifiable Information (May 22, 2007), and the President’s Identity Theft Task Force’s Strategic Plan (April 11, 2007), published at http://www.identitytheft.gov/reports/StrategicPlan.pdf.

The Privacy Act authorizes PBGC to adopt routine uses that are consistent with the purpose for which information is collected. 5 U.S.C. 552a(a)(7) and (b)(3). OMB, in its initial Privacy Act guidance, also recognized routine uses that are necessary and proper for the efficient conduct of the government and in the best interest of both the individual and the public. 40 FR 28948, 28953 (July 9, 1975). A routine use to provide for disclosure in connection with response and remedial efforts in the event of a breach of federal data would qualify as a necessary and proper use of information. Proposed routine use G9 will apply to all systems of records.

Revising Routine Uses in PBGC System of Records PBGC–3 and PBGC–6

PBGC–3

For PBGC–3, PBGC is deleting a routine use for disclosure to the Department of Labor that is no longer necessary.

PBGC–6

PBGC is proposing to revise routine use 9 under its system of records entitled PBGC–6, Plan Participant and Beneficiary Data—PBGC that was last revised at 68 FR 12389, 12390 (Mar. 14, 2003). The revised routine use will permit PBGC to periodically disclose the names and addresses of participants and beneficiaries to licensees of the United States Postal Service (USPS) to update the address records from change-of-address information submitted to USPS by customers who are relocating. The existing routine use limits disclosure of names and addresses to USPS licensees when “mail sent to the individual at the last known address is returned as undeliverable.”

This revision is necessary because of a change in USPS mailing standards that require bulk mailers such as PBGC to update addresses within 95 days before any mailing from change-of-address information submitted to USPS. See 39 CFR 111.1 (2009), incorporating by reference the Mailing Standards of the United States Postal Service, Domestic Mail Manual (DDM) § 443.3.9.1, at http://pe.usps.com/text/dmm300/443.htm. To meet the revised mailing standard, PBGC will use the National Change of Address Linkage System (NCOA Link) offered through licensees of the USPS. NCOA Link is a USPS-
approved method for updating addresses. See DMM § 443.3.9.2.

To protect the privacy of individuals, disclosure of PBGC records under the routine use will be made under a contract that subjects licensees of the Postal Service and its employees to criminal penalties under the Privacy Act. The contract will provide that the records disclosed by PBGC will be used exclusively for updating addresses under NCOA Link and must be returned to PBGC or destroyed when the process is completed. The records will be exchanged electronically in an encrypted format.

Technical and Clarifying Amendments

In addition to establishing new general routine use G9, PBGC is amending PBGC–1, Correspondence Between the PBGC and Persons Outside of the PBGC—PBGC, PBGC–2, Disbursements—PBGC, PBGC–3, Employee Payroll, Leave and Attendance Records—PBGC, PBGC–4, Employee Travel Records—PBGC, PBGC–5, Personnel Files—PBGC, PBGC–6, Plan Participant and Beneficiary Data—PBGC, PBGC–7, Administrative Appeals File—PBGC, PBGC–8, Employee Relations Files—PBGC, PBGC–9, Plan Participant and Beneficiary Address Identification File—PBGC, PBGC–10, Administrative Appeals File—PBGC, PBGC–11, Call Detail Records—PBGC, PBGC–12, Security Investigation Records—PBGC, PBGC–13, Debt Collection—PBGC, PBGC–14, My Plan Administration Account Authentication Records—PBGC, PBGC–15, Emergency Notification Records—PBGC, PBGC–16, Employee Online Directory—PBGC, and PBGC–17, Office of Inspector General Investigative File System—PBGC, to correct and update the categories of individuals covered by the system, categories of records in the system, purposes, storage, retrievalability, safeguards, retention and disposal, records in the system, and record source categories. The amendments clarify the nature and purposes of the systems of records and reflect changes that have occurred since they were last published.

For the convenience of the public, PBGC’s Prefatory Statement of General Routine Uses with proposed general routine use G9 and the amended systems of records are published in full below with changes italicized.

Issued in Washington, DC, this 24 day of June 2010.

Vincent Snowbarger,
Acting Director, Pension Benefit Guaranty Corporation.

Prefatory Statement of General Routine Uses

The following routine uses are incorporated by reference into various systems of records, as set forth below.

G1. Routine Use—Law Enforcement: In the event that a system of records maintained by PBGC to carry out its functions indicates a violation or potential violation of law, whether criminal, civil, or regulatory in nature, and whether arising by general statute or particular program pursuant thereto, the relevant records in the system of records may be disclosed to the appropriate agency, whether federal, state, local, or foreign, charged with the responsibility of investigating or prosecuting such violation or charged with enforcing or implementing the statute, or rule, regulation, or order issued pursuant thereto.

G2. Routine Use—Disclosure When Requesting Information: A record from this system of records may be disclosed to a federal, state, or local agency or to another public or private source maintaining civil, criminal, or other relevant enforcement information or other pertinent information, if and to the extent necessary to obtain information relevant to a PBGC decision concerning the hiring or retention of an employee, the retention of a security clearance, or the letting of a contract.

G3. Routine Use—Disclosure of Existence of Record Information: With the approval of the Director, Human Resources Department (or his or her designee), the fact that this system of records includes information relevant to a federal agency’s decision in connection with the hiring or retention of an employee, the retention of a security clearance, the letting of a contract, or the issuance of a license, grant, or other benefit may be disclosed to that federal agency.

G4. Routine Use—Disclosure in Litigation: A record from this system of records may be disclosed in a proceeding before a court or other adjudicative body in which PBGC, an employee of the PBGC in his or her official capacity, or an employee of PBGC in his or her individual capacity if the PBGC (or the Department of Justice (DOJ)) has agreed to represent him or her is a party, or the United States or any other federal agency is a party and PBGC determines that it has an interest in the proceeding, if the PBGC determines that the record is relevant to the proceeding and that the use is compatible with the purpose for which PBGC collected the information.

G5. Routine Use—Disclosure to the Department of Justice in Litigation: When PBGC, an employee of PBGC in his or her official capacity, or an employee of PBGC in his or her individual capacity whom PBGC has agreed to represent is a party to a proceeding before a court or other adjudicative body, or the United States or any other federal agency is a party and PBGC determines that it has an interest in the proceeding, a record from this system of records may be disclosed to the DOJ if PBGC is consulting with the DOJ regarding the proceeding or has decided that the DOJ will represent PBGC, or its interest, in the proceeding and PBGC determines that the record is relevant to the proceeding and that the use is compatible with the purpose for which PBGC collected the information.

G6. Routine Use—Disclosure to OMB: A record from this system of records may be disclosed to OMB in connection with the review of private relief legislation as set forth in OMB Circular No. A–19 at any stage of the legislative coordination and clearance process as set forth in that Circular.

G7. Routine Use—Congressional Inquiries: A record from this system of records may be disclosed to a congressional office from the record of an individual in response to an inquiry from the congressional office made at the request of the individual.

G8. Routine Use—Disclosure to Labor Organizations: A record from this system of records may be disclosed to an official of a labor organization recognized under 5 U.S.C. Chapter 71 when necessary for the labor organization to perform properly its duties as the collective bargaining representative of PBGC employees in the bargaining unit.

G9. Routine Use—Disclosure in Response to a Federal Data Breach. A record from this system of records may be disclosed to appropriate agencies, entities, and persons when (1) PBGC suspects or has confirmed that the security or confidentiality of information in the system of records has been compromised; (2) PBGC has determined that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, identity theft or fraud, or harm to the security or integrity of this system or other systems or programs (whether maintained by PBGC or another agency or entity) that rely upon the compromised information; and (3) the disclosure made to such agencies, entities, and
persons is reasonably necessary to assist in connection with PBGC’s efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm.
