SUPPLEMENTARY INFORMATION:

(1) PBGC Is Proposing To Retire Four Systems of Records

Pursuant the Privacy Act of 1974, 5 U.S.C. 552a, and as part of its ongoing integration and management efforts, the Pension Benefit Guaranty Corporation (PBGC) is retiring the following four systems of records notices: PBGC–4, Employee Travel Records—PBGC (last published at 77 FR 59252 (September 26, 2012)), PBGC–5, Personnel Files—PBGC (last published at 77 FR 59252 (September 26, 2012)), PBGC–18, Office of Negotiations and Restructuring Risk Management Early Warning System—PBGC (last published at 77 FR 59252 (September 26, 2012)), and PBGC–20, Identity Management System (IDMS) (last published at 77 FR 59252 (September 26, 2012)).

With regard to PBGC–4, PBGC will continue to collect and maintain records regarding individuals who use PBGC’s travel and transportation resources and will rely upon the existing Federal Government-wide system of records titled GSA/GOV’T–4 (Contracted Travel Service Program (last published at 77 FR 59252 (September 15, 1985)), which is written to cover all Federal travel service programs.

With regard to PBGC–5, PBGC will continue to collect and maintain personnel records and will rely upon the existing Federal Government-wide systems of records titled OPM/GOV’T–1, General Personnel Records (71 FR 35342 June 19, 2006) and OPM/GOV’T–2, Employee Performance File System of Records (71 FR 35347 June 19, 2006), which are written to cover all general Federal Government personnel records.

With regard to PBGC–18, PBGC’s Office of Negotiations and Restructuring will continue to maintain its Risk Management and Early Warning Program, but because none of the program records are retrieved by individuals’ personally identifiable information, the program does not constitute a system of records as defined by the Privacy Act.

With regard to PBGC–20, PBGC will continue to collect and maintain records pertaining to the Personal Identity Verification Management System and will rely upon the existing Federal Government-wide system of records titled GSA/GOV’T–7 Personal Identity Verification Identity Management System (73 FR 22377 April 25, 2008), which is written to cover all PIV IDMS records of participating agencies.

Eliminating these notices will have no adverse impacts on individuals, but will promote the overall streamlining and management of PBGC Privacy Act record systems.

(2) PBGC Is Proposing To Revise Its Routine Uses for PBGC–6

PBGC is proposing to reorder the routine uses for PBGC–6 (this change is being made to all existing systems of records to the extent necessary to make all of PBGC’s notices uniform in this regard).

PBGC is proposing to revise routine use 5 (last published as routine use 4) PBGC–6, Plan Participant and Beneficiary Data—PBGC (last revised at 78 FR 64031 (October 25, 2013)). The existing routine use allows disclosure of payees’ names, addresses, and telephone numbers, and “information pertaining to debts owed to by such payees” to the Department of Treasury or a debt collection agency or firm to collect a claim. PBGC is proposing that the phrase, “information pertaining to debts owed to by such payees,” be changed to, “information related to how the PBGC determined that a debt was owed by such payees . . .” . The amended routine use better describes the information that PBGC periodically discloses under the routine use.

PBGC is also proposing to add two additional routine uses to PBGC–6. Routine use 15 will read, “Information relating to revocation of a power of attorney may be disclosed to the former agent that was named in the revoked power of attorney.” This routine use is necessary to allow PBGC to notify an agent that he/she no longer has power of attorney for a given individual because the individual has provided PBGC with written notice of a new power of attorney. This routine use will make it possible for PBGC to avoid delays and confusion when an individual changes his/her power of attorney while interacting or communicating with PBGC.

Routine use 16 will read, “Name and date of birth of a participant’s beneficiary may be provided to that participant upon request by that participant.” This routine use is necessary to allow PBGC to better respond to requests from participants for “a copy of my file.” Presently, when responding to such a request, PBGC withholds the personal information (i.e., name, date of birth, address, social
individuals covered by the system, categories of records in the system, authority for maintenance of the system, purpose(s), routine uses of records maintained in the system, including categories of users and the purposes of such uses, disclosure to consumer reporting agencies, storage, retrievability, safeguards, retention and disposal, system manager(s) and address, notification procedure, record access procedures, contesting record procedures, record source categories, and systems exempted from certain provisions of the Act of PBGC–1, Correspondence Between the PBGC and Persons Outside of the PBGC (last published at 77 FR 59252 (September 26, 2012)), PBGC–2, Disbursements (last published at 78 FR 64031 (October 25, 2013)), PBGC–3, Employee Payroll, Leave, and Attendance Records (last published at 77 FR 59252 (September 26, 2012)), PBGC–6, Plan Participant and Beneficiary Data (last published at 78 FR 64031 (October 25, 2013)), PBGC–8, Employee Relations Files (last published at 77 FR 59252 (September 26, 2012)), PBGC–9, Plan Participant and Beneficiary Address Identification File (last published at 77 FR 59252 (September 26, 2012)), PBGC–10, Administrative Appeals File (last published at 77 FR 59252 (September 26, 2012)), PBGC–11, Call Detail Records (last published at 77 FR 59252 (September 26, 2012)), PBGC–12, Personnel Security Investigation Records (last published at 77 FR 59252 (September 26, 2012)), PBGC–13, Debt Collection (last published at 77 FR 59252 (September 26, 2012)), PBGC–14, My Plan Administration Account Authentication Records (last published at 77 FR 59252 (September 26, 2012)), PBGC–15, Emergency Notification Records (last published at 77 FR 59252 (September 26, 2012)), PBGC–16, Employee Online Directory (last published at 77 FR 59252 (September 26, 2012)), PBGC–17, Inspector General Investigative File System (last published at 77 FR 59252 (September 26, 2012)), PBGC–19, Office of General Counsel Case Management System (last published at 77 FR 59252 (September 26, 2012)), PBGC–21, Reasonable Accommodation Records (last published at 78 FR 64031 (October 25, 2013)), and PBGC–22, Telework and Alternative Worksite Records (last published at 78 FR 64031 (October 25, 2013)). These amendments, the majority of which are non-substantive, will make the systems of records notices more accurate and easier to understand, individually, and when read together.

PBGC is also proposing to amend the names of PBGC–1, Correspondence Between the PBGC and Persons Outside of the PBGC–PBGC, PBGC–9, Plan Participant and Beneficiary Address Identification File, PBGC–14, My Plan Administration Account Authentication Records, and PBGC–16, Employee Online Directory—PBGC. PBGC–1 will now be named Congressional Correspondence, PBGC–9 will now be named Unclaimed Pensions, PBGC–14 will now be named My Plan Administration Account Records, and PBGC–16 will now be named People Search. These amendments make the system names more accurate of the respective systems of records.

(6) PBGC Is Proposing To Establish a New System Of Records

PBGC is proposing establish a new system of records titled, “PBGC–23, Internal Investigations of Allegations of Harassing Conduct—PBGC.” The proposed system of records is necessary to carry out PBGC’s Prevention of Workplace Harassment Policy and will cover files that identify by name, or other personal identifier, individuals who have complained that they have been subjected to harassment in the workplace, as well as individuals about whom such complaints have been made. These files may include: Complaints (including a completed complaint form), details pertaining to interim measures considered and/or taken, investigation notes, witness statements, emails and other evidence collected during an investigation, correspondence, communications with PBGC’s Office of General Counsel, results of an investigation, and close-out memoranda. The Human Resources Department, as it has always done, will continue to respect the privacy of individuals named in these files and will disclose, within the boundaries of the law, the least amount of information necessary to perform its responsibilities.

The collection and maintenance of records subject to this system are not new because records of the same type have been collected and maintained by the Human Resources since its establishment. Those records, however, were not previously maintained or retrieved by a name or other personal identifier. With the implementation of new harassment investigation procedures (scheduled to become effective on October 1, 2014), which includes a new record-keeping scheme, the records will be in a system of records, as defined in “The Privacy Act Implementation: Guidelines and Responsibilities, 40 FR 28,498 (July 9, 1975).”
Pursuant to 5 U.S.C. 552a(o)(11), interested persons are invited to submit written comments on the proposal of these two systems of records. A report on the proposed systems has been sent to Congress and the Office of Management and Budget for their evaluation.

For the convenience of the public, PBGC’s Prefatory Statement of General Routine Uses, the amended systems of records, and the new systems of records are published in full below with changes italicized.

Issued in Washington, DC, this 3rd day of September, 2014.

Alice Maroni
Acting Director, Pension Benefit Guaranty Corporation.
