PENSION BENEFIT GUARANTY CORPORATION

29 CFR Part 4022

Benefits Payable in Terminated Single-Employer Plans; Interest Assumptions for Paying Benefits

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Final rule.

SUMMARY: This final rule amends the Pension Benefit Guaranty Corporation's regulation on Benefits Payable in Terminated Single-Employer Plans to prescribe interest assumptions under the regulation for valuation dates in March 2015. The interest assumptions are used for paying benefits under terminating single-employer plans covered by the pension insurance system administered by PBGC.

DATES: Effective March 1, 2015.

(TTY/TDD users may call the Federal relay service toll-free at 1-800-877-8339 and ask to be connected to 202-326-4024.)

SUPPLEMENTARY INFORMATION: PBGC's regulation on Benefits Payable in Terminated Single-Employer Plans (29 CFR part 4022) prescribes actuarial assumptions—including interest assumptions—for paying plan benefits under terminating single-employer plans covered by title IV of the Employee Retirement Income Security Act of 1974. The interest assumptions in the regulation are also published on PBGC's Web site (*http://www.pbgc.gov*).

PBGC uses the interest assumptions in Appendix B to Part 4022 to determine whether a benefit is payable as a lump sum and to determine the amount to pay. Appendix C to Part 4022 contains interest assumptions for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using PBGC's historical methodology. Currently, the rates in Appendices B and C of the benefit payment regulation are the same.

The interest assumptions are intended to reflect current conditions in the financial and annuity markets. Assumptions under the benefit payments regulation are updated monthly. This final rule updates the benefit payments interest assumptions for March 2015.¹

The March 2015 interest assumptions under the benefit payments regulation will be 0.50 percent for the period during which a benefit is in pay status and 4.00 percent during any years preceding the benefit's placement in pay status. In comparison with the interest assumptions in effect for February 2015, these interest assumptions represent a decrease of 0.50 percent in the immediate annuity rate and are otherwise unchanged.

PBGC has determined that notice and public comment on this amendment are impracticable and contrary to the public

interest. This finding is based on the need to determine and issue new interest assumptions promptly so that the assumptions can reflect current market conditions as accurately as possible.

Because of the need to provide immediate guidance for the payment of benefits under plans with valuation dates during March 2015, PBGC finds that good cause exists for making the assumptions set forth in this amendment effective less than 30 days after publication.

PBGC has determined that this action is not a "significant regulatory action" under the criteria set forth in Executive Order 12866.

Because no general notice of proposed rulemaking is required for this amendment, the Regulatory Flexibility Act of 1980 does not apply. See 5 U.S.C. 601(2).

A. Regulatory History and Information

On December 30, 2014, The Coast Guard published an NPRM entitled Safety Zone; Triathlon National Championships, Milwaukee Harbor, Milwaukee, Wisconsin in the **Federal Register** (79 FR 78369). We did not receive any comments in response to the proposed rule. No public meeting was requested and none was held.

B. Basis and Purpose

The legal basis for this rule is the Coast Guard’s authority to establish safety zones: 33 U.S.C. 1231; 33 CFR 1.05-1, 160.5; Department of Homeland Security Delegation No. 0170.1.

In 2014, the Coast Guard was informed that the Olympic and Sprint Distance National Championships are scheduled to return to Milwaukee Harbor in 2015. Within and around Milwaukee Harbor at Lakeshore inlet, this event is expected to involve thousands of participants competing in a swim race surrounded by thousands of spectators. The swim portion of this event is anticipated to occur on three days during the second week of August, 2015. The Captain of the Port Lake Michigan has determined that the

likelihood of transiting watercraft during the swim competition involving a large number of competitors presents a significant risk of serious injuries or fatalities.

C. Discussion of Comments, Changes and the Final Rule

The Captain of the Port Lake Michigan has determined that a safety zone is necessary to mitigate the aforementioned safety risks. Thus, this rule establishes a safety zone that encompasses all waters of Milwaukee Harbor, including Lakeshore inlet and the Marina at Pier Wisconsin, west of an imaginary line across the entrance to the Marina at Pier Wisconsin connecting coordinates 43°02.253' N., 087°53.623' W. and 43°01.737' N., 087°53.727' W. (NAD 83).

This rule will be effective from August 1, 2015, until August 30, 2015. Additionally, the Coast Guard anticipates that this safety zone will be enforced from 10:30 a.m. until 2:30 p.m. on August 7; from 6:30 a.m. until 4:30 p.m. on August 8, and from 6:30 a.m. until 11:30 a.m. on August 9, 2015. This 2015 enforcement schedule may change, and in the event of a change, the Captain of the Port Lake Michigan will issue a Notice of Enforcement with an updated enforcement schedule.

The Captain of the Port Lake Michigan will notify the public that the zone in this rule is or will be enforced by all appropriate means to the affected segments of the public including publication in the **Federal Register** as practicable, in accordance with 33 CFR 165.7(a). Such means of notification may also include, but are not limited to Broadcast Notice to Mariners or Local Notice to Mariners.

All persons and vessels shall comply with the instructions of the Captain of the Port Lake Michigan or her designated on-scene representative. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Lake Michigan or her designated on-scene representative. The Captain of
