CFR Correction

In Title 24 of the Code of Federal Regulations, parts 200 to 499, revised as of Apr. 1, 1999, on page 72, § 200.1301 should precede § 200.1302. Section 200.1301 was published in the Federal Register at 60 FR 47262, Sept. 11, 1995, but never correctly incorporated into the CFR. Section 200.1301 reads as follows:

Regulatory History

On May 10, 1999, the Coast Guard published a notice of proposed rulemaking (NPRM) entitled “Special Local Regulations for Marine Events; Night in Venice, Great Egg Harbor, City of Ocean City, New Jersey” in the Federal Register (64 FR 24979). The Coast Guard received no letters commenting on the proposed rulemaking. No public hearing was requested, and none was held.

Background and Purpose

The current regulations at 33 CFR 100.504 establish special local regulations for the Night in Venice, a marine event held annually in Great Egg Harbor Bay. The purpose of these regulations is to control vessel traffic during the event to enhance the safety of participants, spectators, and transiting vessels. The regulated area was initially described in the current regulations by referencing prominent aids to navigation in the event area. Since the initial publication of the regulations at 33 CFR 100.504, the referenced buoys and markers have been renamed and/or repositioned.

Regulatory Evaluation

This final rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. The Office of Management and Budget has not reviewed it under that order. It is not “significant” under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979).

The Coast Guard expects the economic impact of this final rule to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of
