PENSION BENEFIT GUARANTY CORPORATION

Interest Assumption for Determining Variable-Rate Premium; Interest on Late Premium Payments; Interest on Underpayments and Overpayments of Single-Employer Plan Termination Liability and Multiemployer Withdrawal Liability; Interest Assumptions for Multiemployer Plan Valuations Following Mass Withdrawal

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of interest rates and assumptions.

SUMMARY: This notice informs the public of the interest rates and assumptions to be used under certain Pension Benefit Guaranty Corporation regulations. These rates and assumptions are published elsewhere (or are derivable from rates published elsewhere), but are collected and published in this notice for the convenience of the public. Interest rates are also published on the PBGC’s web site (http://www.pbgc.gov).

DATES: The interest rate for determining the variable-rate premium under part 4006 applies to premium payment years beginning in April 1999. The interest assumptions for performing multiemployer plan valuations following mass withdrawal under part 4281 apply to valuation dates occurring in May 1999. The interest rates for late premium payments under part 4007 and for underpayments and overpayments of single-employer plan termination liability under part 4062 and multiemployer withdrawal liability under part 4219 apply to interest accruing during the second quarter (April through June) of 1999.

SUPPLEMENTARY INFORMATION:

Variable-Rate Premiums

Section 4006(a)(3)(E)(ii)(I) of the Employee Retirement Income Security Act of 1974 (ERISA) and § 4006.4(b)(1) of the PBGC’s regulation on Premium Rates (29 CFR part 4006) prescribe use of an assumed interest rate in determining a single-employer plan’s variable-rate premium. The rate is the “applicable percentage” (currently 85 percent) of the annual yield on 30-year Treasury securities for the month preceding the beginning of the plan year for which premiums are being paid (the “premium payment year”). The yield figure is reported in Federal Reserve Statistical Releases G.13 and H.15. The assumed interest rate to be used in determining variable-rate premiums for premium payment years beginning in April 1999 is 4.74 percent (i.e., 5.58 percent yield figure for March 1999).

The following table lists the assumed interest rates to be used in determining variable-rate premiums for premium payment years beginning between May 1998 and April 1999.

Late Premium Payments; Underpayments and Overpayments of Single-Employer Plan Termination Liability

Section 4007(b) of ERISA and § 4007.7(a) of the PBGC’s regulation on Payment of Premiums (29 CFR part 4007) require the payment of interest on late premium payments at the rate established under section 6601 of the Internal Revenue Code. Similarly, § 4062.7 of the PBGC’s regulation on Liability for Termination of Single-employer Plans (29 CFR part 4062) requires that interest be charged or credited at the section 6601 rate on underpayments and overpayments of employer liability under section 4062 of ERISA. The section 6601 rate is established periodically (currently quarterly) by the Internal Revenue Service. The rate applicable to the second quarter (April through June) of 1999, as announced by the IRS, is 8 percent.

The following table lists the late payment interest rates for premiums and employer liability for the specified time periods:

Underpayments and Overpayments of Multiemployer Withdrawal Liability

Section 4219.32(b) of the PBGC’s regulation on Notice, Collection, and Redetermination of Withdrawal Liability (29 CFR part 4219) specifies the rate at which a multiemployer plan is to charge or credit interest on underpayments and overpayments of withdrawal liability under section 4219 of ERISA unless an applicable plan provision provides otherwise. For interest accruing during any calendar quarter, the specified rate is the average quoted prime rate on short-term commercial loans for the fifteenth day (or the next business day if the fifteenth day is not a business day) of the month preceding the beginning of the quarter, as reported by the Board of Governors of the Federal Reserve System in Statistical Release H.15 (“Selected Interest Rates”). The rate for the second quarter (April through June) of 1999 (i.e., the rate reported for March 15, 1999) is 7.75 percent.

The following table lists the withdrawal liability underpayment and overpayment interest rates for the specified time periods:
SECURITIES AND EXCHANGE COMMISSION

Issuer Delisting; Notice of Application to Withdraw from Listing and Registration; (The InterCepT Group, Inc., Common Stock, No Par Value Per Share) File No. 1–14213

April 9, 1999.

The InterCepT Group, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2–2(d) promulgated thereunder, to withdraw the security specified above ("Security") from listing and registration on the American Stock Exchange LLC ("Amex" or "Exchange").

The Security has been listed for trading on the Amex since the Company's initial public offering ("IPO") on June 9, 1998. On March 22, 1999, the Company was approved for listing on the Nasdaq National Market ("Nasdaq") and subsequently began trading there on March 30, 1999.

The Company, whose primary business relates to technology, has believed since its IPO that the Nasdaq would be the preferred marketplace for its securities and that quotation on the Nasdaq would provide enhanced liquidity for the Company's shareholders. At the time of its IPO, however, the Company did not qualify for listing on the Nasdaq.

Upon meeting the criteria for listing on the Nasdaq, the Company determined that, acting according to what it perceived as the best interests of its shareholders, it would proceed with listing the Security on the Nasdaq and concomitantly make its application to withdraw the Security from listing on the Amex.

The Company has complied with the rules of the Amex by filing with the Exchange a certified copy of the resolutions adopted by the Board of Directors of the Company authorizing the withdrawal of the Security from listing on the Amex and by setting forth in detail to the Exchange the reasons for such proposed withdrawal, and the facts in support thereof.

The Amex has informed the Company of its determination not to interpose any objection to the Company's application to withdraw its Security from listing and registration on the Exchange.

The Company's application relates solely to the withdrawal from listing to the Company's Security on the Amex and shall have no effect upon the continued listing of the Security on the Nasdaq. By reason of Section 12(g) of the Act and the rules and regulations of the Commission thereunder, the Company shall continue to be obligated to file reports under Section 13 of the Act with the Commission.

Any interested person may, on or before May 3, 1999, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, NW, Washington, D.C. 20549–0609, facts bearing upon whether the application has been made in accordance with the rules of the Exchange and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,
Secretary.
